### Captain Zodiac Featured in Finale of ABC's Hit Reality Show, "The Bachelorette"!

Kailua-Kona, HI -- July 20, 2009 -- Captain Zodiac, of Kailua Kona on the Big Island of Hawaii, will be featured on ABC's hit romance reality show, "The Bachelorette," from Warner Horizon Television. Jillian Harris and one of her final two bachelors will experience the adventure of a lifetime on Captain Zodiac for a thrilling and romantic exotic date before the final rose ceremony! An exhilarating, high speed ocean rafting ride on Captain Zodiac will take Jillian and her date along the Gold Coast of the Big Island, bringing them to a virtually inaccessible and remote, black sand beach. There, the adventurous Bachelorette, Jillian, and her companion will enjoy the extremely popular sport of paddle boarding, followed by a romantic beach picnic for two.

Established in 1974, Captain Zodiac is the original ocean rafting company in the state of Hawaii. Captain Zodiac operates sixteen passenger military Zodiac Hurricane 733's, the same vessels used by the U.S. Navy SEALs.

Awarded the title of "Princess CRUISE Tour of the Year Award, Best Tour in Kona" for the Kealakekua Bay snorkel adventure, Captain Zodiac is also proud to offer exclusive and personalized tours to fulfill your wildest dreams and provide a memory that will last a lifetime! With the largest and newest fleet of vessels, Captain Zodiac has the flexibility to take out individuals or large groups for a completely private adventure.
